

Strawberry

ST2-100 - Alexandria Strawberry Seeds

Fragaria vesca. Open Pollinated. Alexandria Strawberry. The plant produces excellent yields of juicy bright red strawberries from seeds the very first year if started early enough in the spring. This variety does not produce runners and can be planted with vegetables and flowers. The leaves make excellent herbal tea with woodruff leaves. Suitable for containers, rock gardens, and edging plants. Kids love them! An excellent choice for home gardens.

ST4-100 - Italian Alpine Strawberry Seeds

Fragaria vesca. Open Pollinated. Italian Alpine Strawberry. The compact plant produces excellent yields of miniature deep red strawberries. It has a rich flavor and is more flavorful than other full size varieties. Kids love them! It has few runners making it perfect for patio pots. The leaves can be used to make herbal tea with woodruff leaves. Suitable for containers, rock gardens, and edging plants. An excellent choice for home gardens.
