

Leeks

[LK1-250 - American Flag Leeks](#)

140 days. Allium ampeloprasum. Open Pollinated. The plant produces excellent yields of very flavorful leeks. Used in soups, stir-fries, stews, and salads. Also known as Giant Musselburg Leek and Scotch Flag Leek. Suitable for greenhouse production. An excellent choice for home gardens, greenhouses, market growers, and open field production. An heirloom variety dating back to 1870. United States Department of Agriculture, G 29243.

[LK6-100 - Carantan Leeks](#)

95 days. Allium ampeloprasum. Open Pollinated. The plant produces heavy yields of leeks. The plant has dark green leaves and white tender stalks. It has a delicious mild flavor. Used in soups, stews, and salads. Also known as Large Rouen Leek. This is a vigorous and fast-growing variety. Plant for fall or winter harvest. Excellent choice for home gardens. An 1879 heirloom variety from France.

[LK3-250 - Giant Musselburg Leeks](#)

105 days. Allium ampeloprasum. Open Pollinated. The plant produces high yields of huge leeks. It is pure white, very sweet, delicious, and tender. It grows to 2 to 3" in diameter! Used in soups, stews, and salads. It is very winter hardy. One of the best winter hardy leeks you can grow. Also known as Scotch Flag Leek. Excellent choice for home gardens and market growers. An 1834 heirloom from Edinburgh, Scotland. United States Department of Agriculture, PI 546065.

[LK2-100 - King Richard Leeks](#)

75 days. Allium ampeloprasum. Open Pollinated. A very early variety that produces high yields of quality leeks. The flavor is mild. Excellent in soups, stews, and salads. Suitable for hydroponics gardening. An excellent choice for home gardens and market growers. United States Department of Agriculture, W6 44541.

[LK5-100 - Prizetaker Leeks](#)

110 days. Allium ampeloprasum. Open Pollinated. The plant produces high quality and very tall leeks. The stalks are pure white and retain their flavor even with their extremely large size. A cold-resistant variety that holds well over the winter. Used in soups, stews, and salads. Also known as Lyon Leek. An excellent choice for home gardens. An 1800s heirloom variety from England.
